# WELCOME

We do this with our online community, mastermind, and mentorship groups led by industry experts and successful entrepreneurs in their own rights, branding/marketing consultations, and asset creations, to training these fantastic people in sought-after marketing careers.

As a Victor + Valor™ community, you have access to (1) our online forum, (2) live monthly trainings and Q+A classes, (3) online programs to educate the entrepreneurial holes that are holding back your business, (4) the ability to apply to be part of a mastermind group, receive consultations, professional training and or brand/marketing assets created for you completely free of charge, (5) the ability to talk to a chaplain 24/7/365 via the My Chap app.

Come and go as you, please. Feel free to use as much or as little of the resources we have available to you. We are honored to serve you on your entrepreneurial journey.
